

Give your brand a powderful lift.

The Network

Looking to connect with active, affluent, and highly loyal winter sports enthusiasts in experiential critical mass? In partnership with Keeplan Experiential, we are thrilled to bring you our **Ski Resort Network**™, the largest winter resort integrated marketing network, with 70 ski resort destinations nationwide. Give us your objectives, and we'll put together a *powderful* solution to get your product in the hands of loyal skiers and snowboarders, from resort lodge check-in or in-room sample distribution to a full integrated media and digital campaign where you can share you brand narrative at the base, on the slopes, or aprés ski.

Demographics & Lifestyle

- Upscale households: average household income: \$114,000
- Millennials / Gen Y / Gen X; Median Age: 35
- Families skew heavily in many resorts (varies by resort)
- Active in a wide variety of non-winter sports

Locations/Reach

- Resorts: 70 with mountain media, plus 20 bus transit media mountains
- Season: 130 days resort average (Nov

 April, varies by resort)
- Attendance: 13.2 million (mountain) / 13.3 million (bus transit)

Signage and Research

- Counter tent cards to encourage skiers to try your sample and tell brand narrative
- Optional dedicated consumer core and conversion dual research (recommended)
- Optional counter easel card with tear pad or QR code for survey

Mountain Media

- Be a part of every run with tower billboard, tower wrap, safety bar, lift line, and ski rack ads
- CPM averages \$4/M

Product Sampling

- Up to 500,000 samples per month
- Sample at lodge check-in
- Sampling slopeside, mountain base, and locations outside of lodges custom quoted

Investment

See sampling and media pages.

70 resorts with media.
20 additional resorts
with transit capabilities.
29M+ total media
Impressions to support
your experiential trial.
CPM: under \$4

v.2025.1.0

Program Execution Examples

Winter Sports Enthusiasts

Proven to be more open, receptive and engaged by marketing messages while on vacation and having fun outdoors. Younger, modern, affluent, educated spenders from across the country.

Average HHI: \$114,000¹

Median Age: 35²

Under 25 years: 34.7%²

Millennials: 25.2%

Gen X: 24.8%²

Gender: M 63% / F 37%²

More responsive to experiential marketing than any other type. They have money to spend.

\$4.28 Billion spent every year on ski/ride gear, apparel, and accessories³

Spend an average of \$140/day/person for a lift ticket

Enthusiastic, early adopters who engage less with traditional media.

- National Sporting Goods Association Annual Sports Participation Study (skiing at \$114,000 avg. HH income level is s highest of any sports activity, followed by Golf at \$85,000)
- 2 National Ski Association 2021/2022 season statistics
- 3 Statista 2022
